STEM Center

A Philip Randolph Career Academies

Duval County Public Schools

1157 Golfair Blvd, Jacksonville, FL 32209

The Fred B. Miller, Jr. Regional Envirothon is a problem-solving, natural resource education program for high school students. This annual competition is a field-oriented program in which student teams (5 members each) learn to use critical thinking skills to answer written questions and conduct hands-on investigations about environmental issues.

TEAM REGISTRATION RULES: All team members must work together as a **TEAM. NO RESOURCE MATERIAL ALLOWED, INCLUDING CELL PHONES.** Each team must include 5 members; 2 alternates are recommended. Winning teams from each county will advance to the Florida Envirothon. This will require 5 of the competing members to be from the original 7 members. Alternates will be allowed to compete on other teams of 5. **However, alternate teams will not be eligible for overall 1st, 2nd or 3rd place.**

Registration is \$5 per person, including advisors. Pay Online at www.duvalsoilandwater.com or make checks payable to Duval Soil & Water Conservation District (Duval SWCD), 1010 McDuff Ave, North, Jacksonville, FL 32254.

DEADLINE FOR REGISTRATION is February 9, 2023. Please contact **Joyce Miller, Coordinator**, mjoycemiller@gmail.com / 410-688-2365 OR **Allen L. Moore** at Moore@duvalsoilandwater.com / 904-465-0678 (talk or text), with questions.
